

A mobile screenshot of a contact form page. At the top, it features the same navigation bar as the homepage: three horizontal bars, "HOME", "LANÇAMENTOS", and "PROMOÇÕES". Below the navigation is the same "GAME MANIA" banner with characters from Fortnite. To the right of the banner, there are four input fields for user information: "Nome:" followed by a grey input box, "E-mail:" followed by a grey input box, "Telefone:" followed by a grey input box, and "Preferência:" followed by a grey input box. The background is a light blue color.
